## Description

Are you passionate about Palliative Care? Are you inspired by excellence? St Margaret of Scotland Hospice is the oldest and largest Palliative Care provider in Scotland. The delivery of Palliative Care is integral to all Hospice services including the Specialist Palliative Care Unit, Older Adult Unit, Community Specialist Palliative Care Team, Day Unit, Counselling Service and Outpatient Service.

The development of Palliative Care education is rapidly advancing so, to ensure we respond to need and demand, our education team is expanding. This is an exciting opportunity for a committed individual to join this progressive, dynamic team as Education Facilitator.

You will be educated in Palliative Care to degree/post graduate level and be willing to undertake further education based study. You will be an excellent communicator who is motivated to implement both clinical and practice developments in accordance with national/local strategy, policy and recommendations.
